

SRISTI SAMMAN – 2016

Dr. Mino H. Parabia, Botanist, Gujarat

of State Biodiversity Commission. He had made first database of forest tree seeds.

Dr. Mino H. Parabia, a renowned botanist, has devoted his life to blending Ayurvedic practices with modern botanical science. He is the former head of the Department of Botany at the University of Veer Narmad South Gujarat, and encourages students and scholars to pursue immersive learning in the forests. He aims to bridge the gap between traditional and contemporary medicine. Dr. Parabia has continued his family legacy, making significant strides in natural and Ayurvedic medicine. He was Chairperson
